Dear Chairwoman Granger and Ranking Member DeLauro:

This letter is requesting funding for the South Huron Valley Utility Authority's wastewater treatment plant improvement project in fiscal year 2024. The entity to receive funding for this project is the South Huron Valley Utility Authority (SHVUA), located at 21840 Van Horn Road, Woodhaven, Michigan, 48183. The funding would allow for SHVUA to provide necessary capital improvements and updates to its municipal wastewater treatment plant. The project is an appropriate use of taxpayer funds because this federal investment would allow for SHVUA to maintain and keep sewer rates affordable for its 90,000 residents, while ensuring the community has access to clean water.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell  
Member of Congress
